Compliance reimagined.

IQVIA has a vision that goes beyond simply optimizing individual safety, regulatory, quality, and commercial compliance functions.

Using cloud-based technology combined with advanced analytics—including artificial intelligence and machine learning—we are bringing together global regulatory intelligence, safety data, product quality information and legal/ethical guidance on an integrated platform.

For customers, this means:

- **Improved compliance performance** at lower cost across all functions
- **Visibility** across your complete compliance landscape
- **Faster** response times
- **More** predictive planning, throughout the product lifecycle
