In Vivo's Deals Of The Century: A Timeline

by Nancy Dvorin

When it comes to deal-making, In Vivo's editors have always been quick to single out transactions that we feel will spark trends or otherwise have a major impact on the life sciences industry. Below, an expandable timeline of the deals we chose as bellwethers for pharma and medtech in each year of this still-young century and what we said about them at the time. (Free article.)
